Dear colleagues,
the board of the BSSFN invites you to a symposium on Friday 18th March 2016 afternoon, the day before the BSN Annual Meeting.

The topic of the symposium is "DBS". Specialists will give an overview of current and emerging indications as well as the neurosurgical tips and tricks of this exciting stereotactic procedure.

A gourmet dinner will be offered in the evening.

Looking forward to welcome you there,

Pr. N. Massager

on behalf of the BSSFN board: D. Van Roost, B. Kaschten, B. Nuttin, H. Colle, and C. Chaskis

PARTICIPATION

Practical information

Participation to the symposium and to the gourmet dinner is **free of charge**
