Please note:

According to the statutes of the City of Cologne, hotels are committed to quote a surcharge of 5% (Cologne Culture Tax) on their room rates by personal travel. This will be payed directly to the City of Cologne. The expenses for accommodation are not liable to tax when accommodation is mandatory for work-related reasons. This may, among others, be the case when legal occupation can not be performed and therefor income can not be gained without the accommodation (work-related mandatory accommodation). This is only valid if you fill in the original form. You can download it on the homepage of the City of Cologne. Additionally, employees are in need to bring a signed confirmation of their employer that the accommodation is mandatory for work.

You can find the form for the Cologne Culture Tax via following link:
